

Harry Potter Murder Mystery Scavenger Hunt

INSTRUCTIONS

1. Students take one of the folded “Harry Potter Murder Mystery Scavenger Hunt” programs.
2. There are instructions on how to download the app in the program:
 - a. Download the Aurasma app on an Android or Apple phone or tablet.
 - b. Create a free account and then go into the main menu (). Then, click on the magnifying glass and search for WSUDunbarLibrary. Follow the page. It’s the first option, seen here:

- c. Once they're following the WSUDunbarLibrary account, click the  button and hold the phone over one of the house crests on the starting poster.
3. They will then follow the clues along the first and second floors of the Library, recording the answers in the program, starting with the house crest display next to the Circulation Desk near the programs.
 4. If there are any questions, send them to the Information Desk if you're not comfortable directing them with the answer.
 5. Once they finish recording the clues, they will drop by the Circulation Desk (or see Holly during Game Night) to receive a final answer sheet.
 6. Once they've finished the final answer sheet, they submit it to be entered to win one of three prizes. Prizes are awarded during Game Night.
 7. If any instructors would like attendance recorded for participation, they should send Holly a list of their students (holly.jackson@wright.edu) and she will contact them to let them know who participated in the activity.

FAQ

Q: What if I don't know anything about Harry Potter?

A: You're welcome to Google any Harry Potter related questions that you don't know, or to pair up with someone who is familiar with the books.

Q: What if I don't have an Apple or Android phone?

A: You are welcome to partner up with a friend or classmate to participate!

Q: What one is the WSU Dunbar Library account in my search results?

A: It's the very first option, seen here:

Q: How do I get back to the  button?

A: If you have an **Apple** phone, hit the "Back" button at the top of the screen, then hit "Cancel" on the search and it will take you to the home page where the button is.

If you have an **Android** phone, it should be the center option at the bottom of the screen once you've followed WSUDunbarLibrary.

Q: What if the wrong person comes up when I hold the phone/tablet over a poster?

A: Simply move your phone away from the poster and then try it again. In most cases that we've tested, the right person will come up the second time if they didn't the first.

Q: What if I end up out of order?

A: That's okay! Simply go back to the clue where you ended up out of order to head back on the right track, or follow the clues back around to figure out what you've missed.
