

Harry Potter Murder Mystery

INSTRUCTIONS:

1. Download the Aurasma app on your phone or tablet (Android or iPhone).
 - a) First, create a free account, then go in to the main menu (▲)
 - b) Tap the magnifying glass, and search for WSUDunbarLibrary.
 - c) Follow the page. It is the first option, seen here:

2. Once you're following WSUDunbarLibrary:

For Android:	For iPhone:
Click on the <input type="checkbox"/> <input type="checkbox"/> button and hold your phone so that one of the house crests shows in the center.	Hit the back button (1-2 times) until you return to the main screen with the <input type="checkbox"/> <input type="checkbox"/> button. Hold your phone so that one of the house crests shows in the center.

3. Begin following the clues. Maps of Dunbar Library can be found by the elevators.

If a character's video clue does not match their poster, simply move your phone or tablet away from the poster and then back onto the character to restart the clue.
4. Use the inside of this packet to keep track of clues and narrow your guesses.
5. Once you've found all 10 clues, visit the 2nd floor Information Desk to complete your final guessing card - you'll be entered to win a prize!
