Introduction

I am Aaron Debois, a 35 year-old businessman. I work in a company that is wide-reaching, producing all kinds of products, from hygiene to make-up to pet care and baby care.

I like to put myself out there in the community, seeing what people are doing and how I, and my company, can improve our product line. I haven't actually been to our town library, so I thought this would be the perfect night to visit.

Round Three

*When asked about jump from being a courier to department head
reply:*

“I worked very hard and made connections very fast—
when I applied, I interviewed just like everyone else,
but they saw something in me that made them move
me up.”

*When asked why you're really here since you have employees who
could do the scout work, reply:*

“I like to take matters into my own hands with things at
work..”

Round One

When asked about what type of business-man would come to the library to scout for potential products, answer:

“Actually, I’m the person in charge of the Consumer & Market Knowledge department for the company, so it is my job to get out in the field and find out what people want.”

*Ask **Ida and Sue**:*

“You girls are part of the demographic I’m looking into...tell me, what interests you? What do you like to do?”

Round Two

When Clue One is revealed, exclaim:

“Goodness! She looked so peaceful...I wonder what kind of poison could do that.”

When mentioned that you are from the same town as the next crime investigation:

“Yeah, I grew up there. I got out of there as soon as I could though—you can’t make it big in the business world if you’re stuck in a small town.”

*Recognize **Landon Waters** as also being from your town:*

“Say, Landon, didn’t we go to the same high school?”
