Introduction

I'm Sue Denym and I'm an 18-year-old model, here in town for my very first photo shoot for a magazine. I like to travel around and mingle at parties. My friends like to joke that I could be the next Paige Turner if I wanted to be because I'm good at getting to the truth of things and investigating what's going on in their lives.

I've moved around a lot, bouncing around between different homes growing up, so I'm used to moving around. I believe this will really help with my flexibility as a model.

Round Three

Ask Aaron Debois:

“So Mr. Debois, I’m curious...how did you make the jump from courier to department head? I heard that you’re quite the business role model.”

When asked why you’re really here:

“Well, I’ve been searching for my birth parents—I never knew them. I was advised to come here and that I’d be able to meet my birth mom.”

Round One

When someone mentions that you look a lot like Paige, say:
“I guess there might be some similarities...I’ve never met her.”

Ask Anna Liszt:
“So, Anna, what’s an accountant doing here? Are you into crime mysteries, or something?”

After Aaron asks Ida & Sue about their interests, follow up with:
“So, Ida & Sue...what types of mysteries do you like?”

Round Two

Be sure to mention:

“When I headed to the ladies’ room, I heard a man’s voice in there. I didn’t want to go in to investigate on my own though.”

When asked if you recognized the voice:

“It wasn’t a voice that I’d heard before. It was also through a thick door, so I don’t know if I’d recognize it again.”

When asked where you were when Paige died, respond with:

“Well, I still had to go to the ladies’ room, so I found one on a different floor...I’d just returned when I heard the scream of the person who’d found her.”
