Introduction

I'm Beau Napateet, a caterer working the Paige Turner event. I love cooking and actually trained with French and Italian chefs overseas, but I can't seem to find a decent job as a chef here in the US. Really, I'm tired of people taking advantage of free food and drinks and not noticing the work I put into crafting everything.

Round Three

When asked if you left the catering table unattended:

“Yeah, I did for a little bit. I needed a few minutes of me time outside.”

**IT'S TIME TO MAKE YOUR
ACCUSATION...TAKE A MINUTE
TO JOT DOWN YOUR SUSPECT
AND MOTIVE.**

Round One

When asked about interacting with Paige, respond with:

“I brought her a water not too long ago...she was thirsty. I think it was probably a little bit of nerves. That’s the only feeling I got from her. Nothing seemed suspicious, but I was busy taking drink requests and providing food samples.”

Ask Nell Anvoid:

“Have you ever met Paige Turner before, you seemed very interested in trying to speak to her.”

Round Two

When accused of doing something to the water, reply:
(in a frustrated voice): “And when would I have had time to do that, huh? All I’ve done tonight is sling out food and drinks. Anyone who was up there could have seen me reach in, grab a random water bottle and take it over...there was no way I could have or would have done anything.”

*Accuse **Otto Bayografi** right after defending yourself:*
“What about Mr. Bayografi over here...have you ever written a story where poison was the killer? I bet you’ve done plenty of research about how to get away with murder!”
